

# Rekindling Passion in Healthcare: A Journey Beyond Burnout

Gather as healthcare professionals to share insights on enriching our work and creating pathways for renewed energy.

**March 22, 2024**  
**Alnoba, Kensington, NH**

**5.25 hours of CME**

**8:30 AM - 2:30PM**

Join healthcare leaders and professionals for a transformative course on managing burnout. Unite in shared experiences of resilience, fear, and endurance in medical, dental, pharmacy, nursing, and other fields. Learn from experts in mindfulness, connection, and leadership in a nurturing environment. Developed in collaboration with the New Hampshire Professionals Health Program, this event offers strategies to combat burnout in ourselves and our systems.
